RE: Gottlib v. Cohen
 11 CV 6292 (NGG) (VMS)

Dear Magistrate Judge Scanlon:

I represent the plaintiff in the above referenced matter. In response to the Court's order to show cause, I would like to take the opportunity to address the issue as to why no stipulation of discontinuance has been filed. The defendant's settlement agreement requires a notarization. We forwarded an executed agreement but Ms. Shepps was not satisfied because she deemed the notary public's signature as not a signature but a crossing out of the notarization. We submitted a second agreement where we left the notarization clear for her inspection but she complained that it was not signed by the notary. We are in the process of having our client execute a third copy of the agreement for Ms. Shepps' inspection.

I will be out of the office until after the Passover holiday returning on April 3, 2013. I will be checking emails on Monday, Thursday and Friday of this week.

Thank you for the Court's attention to the foregoing.

Yours faithfully,

/s/

Adam J. Fishbein
